Dear 

As your summer assignment with FBIS comes to an end, I want to express appreciation for the valuable contribution you have made. It is thanks to your fine work in a wide range of duties that Admin Staff was able to maintain continuity during periods of personnel shortages.

Your contribution to the Office of the Director in transcribing and typing the FBIS History Project was invaluable. With minimal training you very capably fulfilled all duties tasked to you.

You have been a great asset to FBIS, and I wish you the best of luck in the coming school year. We look forward to your return over the holidays.

STAT

Sincerely,

Deputy Director
